Visiting Kia Ora Mini Farm - Open Farm in Gorey, Co. Wexford

On their day at Kia Ora Mini Farm, the children can hold and feed a variety of live pet animals such as rabbits, poultry, sheep, pot bellied pigs - Bella and Babe, Charlie the Donkey, Jack and Jill the alpacas, Larry the llama, Posh and Becks the black swans, Eddie & Betty the emus, Geoffrey the Macaw, Jessie and Belle our friendly dogs amongst many others.

Our shed has a fantastic selection of birds and animals and is indoors so no matter what the weather is like you can come and have fun and see all the cute little animals in the barn such as rabbits, hamsters, guinea pigs, mice and rats!!

We also have a really cool tractor area where the younger children can trundle about and even do a bit of digging in our special digging pit! For the slightly older kids we have a special racing track to race our rough riders on and it is all enclosed so they can race without fear of bumping into anyone small. They can also race to milk our milking cow.

CAMERAS AND PICNICS ARE ALWAYS WELCOME AT KIA ORA OPEN FARM.
